Rewards and Recognition		

Congratulations to the following Pii practices that have completed all 5 phases of transformation:

- North Country HealthCare
- Maricopa County Department of Corrections
- Horizon Health & Wellness

By completing the phases of transformation, these practices are prepared for successful participation in value-based, alternative payment arrangement programs.

Information for Practices Participating in AHCCCS' Targeted Investments Program

Core Component 2

Due: 8/31/18

The first phase of Core Component #2: "Identify members who are high-risk and develop an electronic registry" is due August 31, 2018

****NOTE:** This is one month earlier than due dates for other components this year ******

Tele-Monitoring Can Reduce Medical Appointments For Low-Risk Pregnancies

Mayo Clinic MN

This model program utilizing tele-health technology provides a roadmap for monitoring patients and providing treatment on an as-needed rather than perfunctory basis. Impact: improved patient compliance, increased family engagement in care, and reduced costs of routine services.
