

TCPI Exemplary Practice Performance Summary, August 2019

Desert Sun Pediatrics

Dr. Binita Patel

Walking alongside patients and families to optimize health and wellness.

Desert Sun Pediatrics (Desert Sun) is a team of experienced and caring pediatricians offering accessible pediatric care, a child-friendly environment, and a responsive team of pediatricians in Phoenix. We love kids, and our goal is to have a positive impact in the lives of children by providing exceptional health care and compassionate service to the families we serve.

At Desert Sun, we offer a full range of pediatric care including prenatal visits for expecting parents, well-child check-ups, immunizations and sick appointments. Our caring team is committed to providing quality service in a comfortable, safe office setting where children and parents can feel at ease. We also set aside time to equip parents with the tools and resources necessary for the development of healthy children from birth through adolescence.

We believe it is very important that the information a parent receives regarding their child’s health and development is sound and well researched. For this reason, we are always available to answer any questions as well as we have established a medical resource center on our practice website to be available at any time for use.

Desert Sun Pediatrics joined the Practice Innovation Institute (Pii) in 2016 and graduated in November 2018 by completing the 5 Phases of Transformation and joining a qualified Alternative Payment Model (APM). As a result of their work, they have been certified to have met Pii’s definition of an Exemplary Practice.

A **Pii Exemplary Practice** is one that meets the following criteria:

- ✓ Practice has met Phase 3 and/or above
- ✓ Practice has implemented one of the six PFE metrics
- ✓ Practice is contributing positively in on one or more of the TCPI service delivery Aims.

With the effort of organizations such as Gilbert Pediatrics, Pii was able to meet or exceed program commitments. As of the end of Q15 Pii achieved/exceeded established commitments for Aims 2 – 5.
