“The secret to improving healthcare..... 
Listen to the patient”

-- Dr. Paul Rosen, CMS Medical Officer
TCPI Exposition
August 2019
Original creator unknown
Over the Edge
AZ Special Olympics fundraiser
2019 CMS Quality Conference
“Management’s overall aim should be to create a system in which everybody may take joy in his work”

“A bad system will beat a good person every time.”

“The emphasis should be on why we do a job.”

Dr. W. Edwards Deming
